| <p>9 Preface
Myron Nevins</p> <p>10 Editors</p> <p>12 List of authors</p> <p>20 Chapter 1
Unfolding the Initiation and Progression of Peri-Implantitis: The Scope of the Problem
Alberto Monje, William V. Giannobile, and Hom-Lay Wang</p> <p>54 Chapter 2
Diagnosis and Monitoring of Peri-Implant Conditions
Alberto Monje and Giovanni E. Salvi</p> | <p>98 Chapter 3
In Vitro Diagnostics in Monitoring Peri-Implant Conditions
Mia Rakic</p> <p>132 Chapter 4
Morphologic and Phenotypical Characteristics of Peri-Implantitis
Pablo Galindo-Moreno, Miguel Padial-Molina, and Francisco J. O'Valle Ravassa</p> <p>150 Chapter 5
Critical Peri-Implant Soft Tissue Dimensions in Health and Disease
Alberto Monje and Gustavo Avila-Ortiz</p> |
|--|---|

- 180 Chapter 6**
Critical Peri-Implant
Hard Tissue Dimensions
in Health and Disease
Alberto Monje and Daniel Buser
- 222 Chapter 7**
Local Confounders of
Peri-Implantitis:
Predisposing, Precipitating,
and Accelerating Factors
Alberto Monje and Ángel Insua
- 260 Chapter 8**
Systemic Confounders
and Deleterious
Habits Associated with
Peri-Implantitis
Ettore Amerio and Wenche S. Borgnakke
- 300 Chapter 9**
Genetic and Epigenetic
Susceptibility of
Peri-Implantitis
Farah Asa'ad, Carlos Garaicoa-Pazmiño, and Lena Larsson
- 322 Chapter 10**
Primary Prevention of
Peri-Implantitis:
Peri-Implant Supportive
Maintenance Therapy
Janet Kinney and Alberto Monje
- 356 Chapter 11**
Secondary Prevention
of Peri-Implantitis:
Management of
Peri-Implant Mucositis
Hom-Lay Wang, Alberto Monje, and Stefan Renvert

404 Chapter 12
Management of
Peri-Implantitis.
Part 1: Lessons Learned
from the Treatment
of Periodontitis
Alberto Monje and Roberto Abundo

460 Chapter 13
Management of
Peri-Implantitis.
Part 2: A Simplified
Decision-Making Process
Alberto Monje and Hom-Lay Wang

522 Chapter 14
Non-Surgical Treatment
for Peri-Implantitis
Guo-Hao Lin, José Nart, and Gonzalo Blasi

548 Chapter 15
Pharmacologic Adjuncts
for the Management
of Peri-Implantitis
Marcelo Freire and Karim El Kholy

564 Chapter 16
Strategies for Implant
Surface Detoxification
Donald Clem, Markus Schlee, and
Hom-Lay Wang

602 Chapter 17
Surgical Resective Therapy
of Peri-Implant Defects:
When and How?
Alberto Monje, Ausra Ramanauskaite,
María Elisa Galárraga-Vinueza, and
Frank Schwarz

- 632 Chapter 18**
Part I: Reconstructive Therapy for the Management of Peri-Implantitis
Alberto Monje and Istvan A. Urban
- 690 Chapter 18**
Part II: The EP-DDS Protocol for Reconstructive Therapy. A New Perspective in the Management of Peri-Implantitis
Hom-Lay Wang and Shih-Cheng Wen
- 712 Chapter 19**
Soft Tissue Conditioning for the Prevention and Management of Peri-Implantitis
Alberto Monje, Giulio Rasperini, and Ignacio Sanz Sánchez
- 756 Chapter 20**
The Use of Biologic Agents in Peri-Implantitis Therapy: Rationale and Efficacy
Richard J. Miron and Anton Sculean
- 788 Chapter 21**
Management of Peri-Implant Soft Tissue Dehiscences in the Esthetic Zone
Giovanni Zucchelli, Martina Stefanini, and Hom-Lay Wang
- 816 Chapter 22**
Future Perspectives in the Understanding of Peri-Implantitis
Fernando Suárez-López del Amo
